**KHANH B. PHAM**  
**PRIMARY EXAMINER**

Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.

Examiner's signature, if required.

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative explained the inventive concept of the claimed invention and proposed an amendment which incorporate claim 14 into claim 3 and claim 24 into claim 16. The examiner explained his rejection and agreed that Rubin does not explicitly teach "store the percentage of the resource that is in working memory in a header of a persistent copy of the resource" as claimed. Further search and consideration is required upon receiving official amendment.
